

LOG CABIN PATCHWORKS

Update

I know spring officially began on Saturday, but someone forgot to let Mother Nature know! I am sick of seeing that white stuff coming out of the sky, hopefully we are done now. Our Fifth Annual Shop Hop is the first of May and we are busy getting ready for all the fun. We have been busy rearranging the shop and getting in new fabric for spring. Along with several new lines of bright, fun fabric we have also received new lines of civil war fabric from Marcus Brothers and Jo Morton. We also have a new section in the shop with antiques and shop samples. Many of the items are display pieces we have used in the shop. It is very hard to part with some of these goodies, but my garage is overflowing and it is time to do spring cleaning!
